Airbus / American Eurocopter AS350 B2

The multipurpose, single-engine AS350 B2, powered by a 732 shp (546 kW) Turbomeca Arriel 1D1 engine, has an outstanding proven track record. Its flexibility and low acquisition cost have made it a very sought-after helicopter capable of performing a wide range of missions, including passenger transportation, aerial work, training, observation, fire fighting, and law enforcement, among others.
