

Download Mcts Guide Plus Configuring Server Testout

Server Pro

Practice exams for the TestOut Server Pro: Install and Configure exam and Microsoft's Installing and Configuring Windows Server 2012 exam are included with the course. With unlimited attempts, students can build their confidence and testing acumen by practicing as many times as they like.

Server

To pass the exam, students should complete the Server Pro course of study. Students who pass the exam can download a digital certificate from the LabSim home page. If you have questions regarding the TestOut Server Pro: Advanced Services certification, please contact your TestOut sales representative at 1-800-877-4889 or email .

[Req] TestOut LabSim

TestOut LabSim - Windows 7, Configuring - posted in MCTS Shares: trancethenightaway, on , said: A student ID alone won't work, I've talked to someone from TestOut about it... you need a current schedule or transcript also. I almost bought Network+ from them before I found it on here. But who knows I might by Security+ from them since you can't find the SY0-201 edition ANYWHERE...
